The comfortable wine village Hagnau, situated at the Lake of Constance between Friedrichshafen and Meersburg, invites you to relaxing holidays. Good restaurants and some small shops offer all you need during your holidays. The cooperative wine-growers association, many distilleries and fish-shops invite you for a visit. All places at the Lake can be reached by boat, a regular bus line leads you to Überlingen or Lindau. You can reach us by car via motorway A81 / A96 from direction Stuttgart or Munich / Nuremberg. Car-sleeper trains for people from long distances terminate in Lörrach, Lindau or Munich.

The flats for 2 to 3 guests are tastefully and comfortably furnished, with separated living and sleeping rooms, shower/toilet, radio, TV and southbound covered balcony with sea-view. Our neat house in a large garden is secluded in a cul de sac road, far from traffic in a calm but central position. Distance to the pier is about 250 m, about 500 m to the center of the village. All four flats have parquet floors and offer a high living comfort also for allergic guests. Even in a hot summer our flats in the attic floor remain pleasantly cool. Our flats are non-smoking areas, therefore we kindly ask you to refrain from smoking in the house. We regret not to be able to accommodate any pets. We are sure, that you will be comfortable with us and you will enjoy relaxing holidays. On a clear day you can see the Swiss mountains.
